

## Road 2 Citizenship Conference – 18<sup>th</sup> of May 2016

Academics can change the world - if they stop talking only to their peers.

The Road2Citizenship Initiative summarises the efforts of a group of Maastricht University students to encourage initiatives and establish platforms for students to focus their academic activities on migration and refugee law topics.

With this symposium an exchange forum will be opened between refugees, students, and academics.

Please register here [www.road2citizenship.com/conference-registration](http://www.road2citizenship.com/conference-registration)

Lunch and Dinner are free for conference participants.
